

TEFON HUMAN RESOURCES Sarl Vacancy announcement

Job Purpose/Summary

The FRB Assistant supports the FRB Captain in the safe operations of the FRBs, to transport field personnel/staff to & from various locations/destinations in the field. He is a Trained DFA (Designated First Aider) responsible to administer first aid and transport injured personnel from place of incident to safe location.

Main Mission/Result Area

PRIMARY ACCOUNTABILITIES

- Interpret weather conditions, safe for operations.
- Assist in ensuring that the FRBs are in good operating condition and ready for service.
- Perform various marine duties such as checking and identifying for floating objects and signaling to the FRB Captain during FRB operations.
- Assist in monitoring the on/off boarding of passengers through the Juliet boat landing.
- Ensure movement of personnel in a safe way within the field.
- Administer first aid to injured personnel when required.
- Carry out basic maintenance on the FRBs and support the Maintenance Team as directed by Offshore Management.

HSSE

- Participate in all HSSE intervention schemes (APIPP, Incident reporting, site visits) and awareness sessions (HSSE Meetings, events and trainings) to maintain and improve Company HSSE culture and performance.
- Understand the emergency procedure and the related requirements.

N.B: The incumbent may perform other related duties as assigned.

Key Challenges

- Safely operate FRBs.
- Ensure safe transfer of passengers to and from the platforms.
- Timely response to emergency situations

Competence & Requirements

- GCE O' Level Technical or Cap Technique as a minimum.
- At least 2 years' experience as roustabout.
- General knowledge of offshore environment and working conditions.
- BOSIET/HUET Certified.
